New 4-year limited warranty for Select Series™ 48 Months or 300 Hours,
Whichever Comes First

17-hp V-twin, air-cooled **John Deere iTorque™ Power System** (which provides more lugging ability, full pressure lubrication, even cooling, and durability) provides excellent power and performance, easy starts

Power

3.5 U.S. gallon fuel tank with a large 3-inch fill opening located on the left fender makes adding fuel easy and helps eliminate spillage

Twin Touch™ automatic transmission provides comfortable two-pedal foot control for effortless speed and direction changes

35-watt headlights designed to provide optimum lighting pattern for mowing and snow removal and improved visibility during evening operation

Tight 16-inch turning radius provides excellent maneuverability and improved mowing performance

Convenience

Heavy-duty **CargO Mount™** System (a combination of fender, deck and hitch mounting points) provides convenient and easy installation of rear attachments

Standard tool tray and cup holder keep tools and beverages within reach
A lift-assist spring is available on tractors to minimize lift effort; lift effort can be easily adjusted for optimum performance depending on the equipment used (mower, front blade, etc.)

Color-coded controls are conveniently located for easy access
Standard hour meter makes it easy to tell when oil changes and other maintenance should be performed

Separate engine speed and choke controls make starting and warming up the engine easier in cold weather

Mower deck height-of-cut control with rotary dial knob provides mower cut height range from 1 to 4 inches in 1/4-inch increments; on-board deck leveling gauge located in the center of the cut- height adjusting knob

Comfort

Comfortable, high-back sit-and-adjust seat features 7 inches of travel; springs adjust for operator weight allowing fine tuning of suspension; open-back design allows air circulation to keep the operator's back cool and dry for a more comfortable ride

Large 14-inch diameter steering wheel is comfortable to use and minimizes steering effort

Full-length foot mats provide comfort for the operator while protecting the footrest area

Roomy and uncluttered open platform makes getting on and off the tractor easy eight adjusting knob d smooth operation.
